CARPOOLING

Cars, like the mountains, are meant to be shared!

How does it work?

Download *BlaBlaCar Daily* onto your mobile phone and connect with people who want to carpool!

Who is it for?

Although it is primarily aimed at workers and local residents making regular daily trips, the service is open to everyone. Why not give it a go?

Would you like to offset the cost of your daily commute?

Sign up as a driver, enter your travel times on the *BlaBlaCar Daily* app and invite (via the app) passengers to carpool with you in exchange for a financial contribution.*

Don't want to drive?

Sign up as a passenger on *BlaBlaCar Daily* and enter your travel times. You can then request drivers to give you a lift! You can have different drivers for the outward and return trips!

Trips for passengers are free (up to 50 km) as they are subsidised by the local community!

* As a driver, you earn €1 to €2 per passenger transported (provided the trip is over 5 km).

Fancy a one-off carpool?

If public transport doesn't meet your needs, use the 'one-off carpool' feature on the *BlaBlaCar Daily* app. You can easily share your one-off rides, whether you're heading to the cinema, doing your shopping, or going to an appointment.
